Respected Sir

We would like to thank you for your continued support and personal attention to the issue of conversion of IT-BHU to IIT. The global alumni fraternity is very grateful to you for the same.

The process for conversion of Institute of Technology, Banaras Hindu University, Varanasi (IT-BHU) to an IIT is moving at a fast speed. After your assurance, most of the 600 students have returned to the campus and resumed studies. As you would have been aware that with your insistence, two major milestones in the conversion have been reached. The first being EFC (Expenditure and Finance Committee) clearance initiation by MHRD officials and second being the approval of BHU executive Council on the conversion of IT-BHU to IIT following the MHRD proposals & suggestions.

We sincerely hope that under your able leadership, the further steps would be completed in coming days and 70,000 strong fraternity of IT-BHU alumni, students, faculty would see one of the most important milestone in IT-BHU since past few decades. This would give further impetus to the institute's zeal to contribute to the nation technology pool in terms of research output & skilled engineers as always.
