

Resume of Anil Sood

Name: Anil Sood

Date of Birth: 17.04.1967

Professional Qualification: B. Tech. (1st Class) in Ceramic Engineering - 1990 from IT-BHU Varanasi

Total Experience: 18 Years

Marital Status: Married

Professional Experience:

* Currently working (since September 2007) as Manager, Corporate Planning at Asahi India Glass, Gurgaon, India.

* Past Assignment – Worked as Manager in Videocon Narmada Glass, in Gujarat (Oct 1992-September 2007). This is only Company in India engaged in manufacture of color television glass shell required for TV Picture tube.

Assisted Top Management in identifying new projects for our division

Worked in Furnace Batch House department (Process) in No. 1 Position reporting to Head (General Manager) of Plant who is also here since 1992. Responsibilities include all aspects such as satisfying needs of Internal customers, Man power Planning, Material Planning, Co-ordination with other departments, New Project Management, ISO, 5S etc.

From 1992 to 1995, I worked in shifts as Shift in-charge. Since 1995, I am working in General Shift.

Joined here as Engineer, 1st Promotion in 1995 as Senior Engineer, 2nd Promotion in 2000 as Asst Manager, 3rd Promotion in 2005 as Deputy Manager, 4th Promotion as Manager in 2007.

I worked in Purchase department (Import section) from mid 1999 to June 2000. This opportunity arose as all employees in our Purchase department resigned en-masse. In 2000, our new furnace was coming up and my previous boss wanted me back. Since beginning of 2007, I worked in marketing department, reporting to VP.

I made four overseas visits (3 to USA and 1 to Europe) to Plant similar to ours.

* From May 1990 to Sep 1992, I worked in Shree Vallabh Glass, in Gujarat as Glass Technologist. After 6 months training, I was given Independent charge of a Furnace which I carried out with success since 1992.
