When I returned to my Country, I first went to Lokamanya Tilak. He appeared tall like the Himalayas. I thought it was not possible for me to scale the heights and returned. Then I went to Deshbandhu Gokhale. He appeared deep like the Ocean. I saw that it was not possible for me to gauge the depth and returned. Finally, I went to Mahamana Malaviya and he appeared like the pure flow of Ganga. I saw it was possible to take bath in the sacred flow.
