To: Yogesh Upadhyaya

Dear Shri Yogesh

Thanks for bringing IT-BHU Alumni Association activities back to normal and hosting another website.

Good luck to you all.

Yours sincerely,
S N Upadhyay
Director, IT-BHU

Subject: Official website for IT-BHU Alumni Association

Respected Sirs:

We, the office bearers of IT-BHU Alumni Association, would like to draw your kind attention towards the change of our official website.

So far we have been using itbhu.org (URL: www.itbhu.org) as our official website. However, due to technical and managerial problem in management of the site, which resulted in the content not getting updated on time and not being able to respond to queries, we are now hosting the alumni website under a new name (URL: <http://www.itbhuglobal.org>) on a different platform. As it can be seen, the new name is more aligned to the global mandate of our association.

We shall be using this new website as the official alumni association website, and request that the institute refers to this website in the Institute's website (www.itbhu.ac.in) and in documents referring to the alumni website.

Hereby we wish to inform you that www.itbhuglobal.org is the official website for our alumni organization. We request you to inform the faculty and the student community about the new website. Thanking you for your cooperation,

With regards,

On behalf of IT-BHU Alumni Association
