

## Make a Gift

This is a new initiative started by our IT-BHU Global Alumni Association (IBGAA) to encourage alumni to donate money for improving Academic and Infrastructure at our institute.

Many of us owe our success to the years we spent in ITBHU and want to give back to our Alma Mater. There is a desire to improve the Academic and Infrastructure standard at our Institute that has been a pillar of economic and intellectual prosperity.

IBGAA will serve as medium to make sure that we are able to contribute to the benefit of our Alma Mater. There are several ways to donate money:

- Credit / Debit Card: Donations can be easily made using your Paypal or Google Checkout accounts. Please go to <http://www.itbhuglobal.org/donate/> and click on links to donate for \*PayPal Checkout and \*Google Checkout.
- Check / Money Order: Checks or Money Orders payable to ITBHU Global Alumni Association Inc can be sent to the registered office of the organization at:

120 Briarwood Drive  
North Brunswick, NJ 08902 USA

We advise that you use the donation form to help us with proper accounting of the funds.

- Wire Transfer: Please contact our Treasurers (Manu Goyal and Anand Maharana) at [treasurer@itbhuglobal.org](mailto:treasurer@itbhuglobal.org) or [dytreasurer@itbhuglobal.org](mailto:dytreasurer@itbhuglobal.org) for account details needed to transfer money.
- Recurring Transfers: We don't store any of your financial information for security reasons and hence can't initiate periodic transfers from your accounts. To our donors who want to set up recurring transfers we recommend using the Bill Pay facility provided by your Bank and set up periodic transfers to ITBHU Global Alumni Association Inc. Your User Id (firstname.lastname@branchYY) for this site will act as your account number. Feel free to email the treasurers in case you need any help or clarifications.

We request that you let us know your Name, Branch / Year (if applicable), contact details while making the gift. This would help us in keeping the track of the funds.

(\*Please be aware that Paypal and Google Checkout charge the organization up to 3% of the transaction amount as fees.)

## **Project Selection and Donations Disbursement**

All the projects are monitored by the Board from raising money through this forum to accounting for it by executing specific infrastructure projects in close collaboration with the Institute administration, faculty and students.

The team seeks project proposals and ideas for evolvement of the institute through this site. After reviewing the proposals and identifying a team of members who will implement the proposal, a cost estimate is obtained, reviewed and approved. The Board of Directors will then use part of the proceeds of member donations to fund approved projects. The projects typically have their own web pages that will help you track their progress and post your comments. Regular updates as to funds utilization would be provided on the Project's page.
